

## Sheet Metal Workers Local Union No. 20 Welfare and Benefit Plan Members,

Costco Specialty Services is the exclusive provider for your specialty medications with Costco Health Solutions.

### What is a specialty medication?

- Specialty medications are prescription drugs often used to help treat complex and rare chronic conditions which include but are not limited to hemophilia, rheumatoid arthritis, and cancer. Managing these conditions requires customized care.

### Costco Specialty Services:

- Your specialty benefit provides personalized care and expertise of Costco Specialty Services' dedicated pharmacists and Care Team, essential for successful therapy.
- Costco Specialty Services goes beyond traditional retail pharmacy helping you get the most from your specialty medication therapy.
- A Specialty Copay Assistance Program is offered to help manage high cost specialty medications for you and your plan by utilizing manufacturer coupons.
- Any dollar amount paid by the manufacturer coupon will not count towards your deductible or out-of-pocket maximum.

### Specialty medications can be more difficult to manage and Costco Specialty Services offers the following patient support services at no charge:

- Personalized support to help you achieve the best results from your prescribed therapy.
- Easy access to a Care Team who can answer medication questions, provide educational materials about your condition, help you manage any potential medication side effects, and provide confidential support.
- Convenient personalized delivery of your medication to your home or prescriber's office.
- Additional assistance with your ongoing specialty medication refills.

### If you have any questions on how to take advantage of these complimentary patient support services, please call Costco Specialty Services:
